YOU DON'T CATCH ME

Slaving away, cooking over a hot stove in this weather. Not me. My family eats at CHARLEY'S. It's a grand and glorious feeling to eat at a place that I don't have to stand over a hot stove for hours and hours in weather like this. Actually, it's easier on everyone. The food is good and nourishing too and then it's fun and exciting to eat out. It gives us more leisure time to relax and enjoy each other's company. Take a tip from me... don't let yourself get worn to a frazzle over menus and cooking. Just stop in at Charley's 1625 Corbillo.
